[12:08] Chiron Chrzan: This is a special gathering that he called.
[12:09] Chiron Chrzan: We did not plan it to be near new moon. It just turned out that way when we looked at the calendar after his request!
[12:09] Chiron Chrzan: It is a gathering to not only...
[12:09] Chiron Chrzan: inaugarate NESIE...
[12:09] Chiron Chrzan: but to also sync with the AUUM Master Healing Network...
[12:10] Chiron Chrzan: There are 144 Illumined Masters sending forth transmissions of sepcific light and healing...
[12:10] Chiron Chrzan: during specified periods of time...
[12:10] Chiron Chrzan: we are approaching the end of the most recent whi...
[12:10] Chiron Chrzan: ran from 8/26 thru tomorrow.
[12:11] Chiron Chrzan: Therefore, what we do today, is linking into that energy...
[12:11] Chiron Chrzan: This specific AUUM transmissions period...
[12:11] Chiron Chrzan: has been about planetary healing first and foremost...
[12:11] Chiron Chrzan: There is always component of personal and planetary in everything we do...
[12:12] Chiron Chrzan: but some things have one or the other as primary focus...

[12:12] Chiron Chrzan: this is planetary this AUUM period and thus today is planetary service first and foremost to be here participating.

[12:13] Chiron Chrzan: Let us take a moment to go into our hearts and be grateful for this opportunity to serve in this way...

[12:13] Chiron Chrzan: as we ground the AUUM Master Healing transmissions in our being through the medium of SL

[12:14] Chiron Chrzan: OK, Starheart will begin....

[12:14] Chiron Chrzan: then ThothHorra will come in at her request.

[12:14] Starheart: Before I leave you to bring ThothHorRa here...

[12:15] Starheart: I am going to give you each a candle...

[12:15] Starheart: please wear this now.

[12:15] Starheart: It is scripted so you hand will hold it upright.

[12:15] Starheart: Please keep track of your candle for future events.

[12:15] Starheart:

[12:17] Starheart Erdhein: I there is anyone who did NOT receive a candle, please let me know now...

[12:18] Starheart Erdhein: For those who may not know...

[12:18] Starheart Erdhein: open your inventory, find the vigil candle and select "wear" by left clicking on it and selecting wear

[12:18] Chiron Chrzan: right-clicking

[12:18] Chiron Chrzan: then wear

[12:19] StarRose Merlin: should be in your objects folder

[12:19] Starheart Erdhein: I will return after ThothHorRa completes.

[12:23] ThothHorRa Khandr: I greet you all...

[12:23] Meditation Cushion -sm1: llStopAnimation: Script trying to stop animations but agent not found

[12:23] Kuanyin Yiyuan: Greetings!

[12:23] Makalii Rhiadra: Greetings Thoth

[12:23] ThothHorRa Khandr: Star was somewhat shocked to see herself still present here for some time...while I stood next to her (only on her screen)

[12:24] Lhasa Khandr: hello thoth

[12:24] Polaris Triellis: mine too

[12:24] Drucilla Karu: Greetings

[12:24] Makalii Rhiadra: I saw you both too

[12:24] ThothHorRa Khandr: So now I can become more collected here among you (-:

[12:24] ThothHorRa Khandr: She received her wish, did she not?

[12:24] Yara Ragu: Anu Ka!

[12:24] Makalii Rhiadra: Yes

[12:24] Drucilla Karu: yes

[12:24] anael Ansar: greetings thoth

[12:24] ThothHorRa Khandr: Now Chiron...you may begin the music.

[12:25] Chiron Chrzan: Everyone, if you had parcel music on...

[12:25] Chiron Chrzan: please first turn it off.

[12:25] Chiron Chrzan: Then turn back on, this way we will all be hearing about same music.

[12:26] ThothHorRa: ANU KA

[12:26] ThothHorRa: ANU KA and Blessings upon you all!

[12:26] ThothHorRa: I thank you for gathering with us today here, above the New Earth Star Island Estate...

[12:26] ThothHorRa: gently carried on the wings of a new, dawning vision...

[12:26] ThothHorRa: becoming a reality in this realm of virtual experience.

[12:27] ThothHorRa: Let us begin by opening the Veil...

[12:27] ThothHorRa: calling upon the AUUM Healing Network of the New Earth Star...

[12:27] ThothHorRa: and all the Illumined Ones of all LIGHT and GRACE who abide with us, seen and unseen..

[12:28] ThothHorRa: They are the Friends of the Earth and all it's inhabitants, as am I.

[12:28] ThothHorRa: We ask now, that they become even more fully Present into our midst.

[12:28] ThothHorRa: As each of you offer a LIGHT to the World in this moment...

[12:28] ThothHorRa: so that LIGHT is multiplied a 1,000 times-fold...

[12:29] ThothHorRa: It becomes a BURNING FLAME of ONE, of ALL...

[12:29] ThothHorRa: See this light extend from you into the tachyon column and UPWARD...

[12:30] ThothHorRa: into the Graces of the WIND, EARTH, FIRE and WATER of this sacred planet.

[12:30] ThothHorRa: Below you in the cavern of the New Earth Island is the Indigo Generator Crystal.

[12:30] ThothHorRa: It holds the codes of the deep earth...

[12:31] ThothHorRa: of Gaia's breath and silent prayer.

[12:31] ThothHorRa: Above the cavern of the crystal upon the surface of the NES Island is the rose quartz crystal EGG...

[12:31] ThothHorRa: the Birthing Egg of new worlds of being, new ways of seeing and becoming.

[12:31] ThothHorRa: From the Birthing Egg so arises the Ray of Love up into the tachyon beam of this pyramid.

[12:32] ThothHorRa: Now let us call upon the Planetary Genius, or more simply the 'First Knowing'...

[12:32] ThothHorRa: that is kept for us in the sacred Holy of Holies or central sun atom of the Earth.

[12:32] ThothHorRa: Feel it connecting to the New Earth Star Realm...

[12:33] ThothHorRa: know that there is a passage between the New and the Old (current)

Earth...

- [12:33] ThothHorRa: through which this 'First Knowing' communicates to the New Earth.
[12:33] ThothHorRa: In turn, so the New Earth rays forth the completing codes of transformation...
[12:33] ThothHorRa: which the current Earth will need in order to Ascend.
[12:33] ThothHorRa: This is being fed into the Planetary Genius now...
[12:34] ThothHorRa: it will continue periodically to be given forth in stages for some time.
[12:34] ThothHorRa: At this moment so you are part of the process...
[12:34] ThothHorRa: aligning your own 'First Knowing' to that of Gaia.
[12:35] ThothHorRa: FEEL the Living Flame of Divine Presence engulf you now...
[12:35] ThothHorRa: the Wings of the Seraphim enfold you, bless you.
[12:35] ThothHorRa: Your whole BEING vibrates with the Loving Sound of their thrumming wings of Light...
[12:36] ThothHorRa: as they hold you dear to them and open your hearts to their healing SONG!
[12:36] ThothHorRa: They sing:
[12:37] ThothHorRa: GOLDEN AM I and GOLDEN so you shall BE!
[12:37] Meditation Cushion -sm1: llStopAnimation: Script trying to stop animations but agent not found
[12:37] ThothHorRa: AND SO IT IS.
[12:37] ThothHorRa: I shall depart now and Starheart will return...
[12:37] ThothHorRa: I request that you share your remaining time together here in loving exchange of what has taken place.
[12:37] ThothHorRa: My breath is yours...
[12:37] ThothHorRa: ANU KA
[12:38] Chiron Chrzan: Anu Ka!
[12:38] Makalii Rhiadra: Anu Ka
[12:38] Polaris Triellis: anu Ka
[12:38] JahanaChundra Quintessa: Anu Ka
[12:38] StarRose Merlin: Anu Ka
[12:38] Lhasa Khandr: anu ka
[12:38] Yara Ragu: ANU KA"
[12:38] anael Ansar: anu ka
[12:38] Drucilla Karu: ANu KA
[12:38] Kuanyin Yiyuan: Anu Ka
[12:41] StarRose Merlin: I must go, being called, ty so much Thoth, and all of you love and Blessings :)
[12:41] Chiron Chrzan: TY StarRose for being here and sharing your light with us.

[12:41] Yara Ragu: LOVE
[12:42] Kuanyin Yiyuan: Blessings!

[12:42] Starheart Erdhein: I return!

[12:42] Drucilla Karu: yes

[12:42] Starheart Erdhein: Goodness...what an experience to see TH and Star together...for sometime!

[12:42] IM: StarRose Merlin: Ty for sharing yours as well , most sublime

[12:42] Chiron Chrzan: Wow, I am levitating above the cushion, HA!

[12:43] Yara Ragu: Yes, it has been great, the pity is that suddenly I crashed!

[12:43] IM: StarRose Merlin: smiles I am very grateful, and in bliss ty

[12:43] Kuanyin Yiyuan: He hee!

[12:43] Drucilla Karu: HaHA

[12:43] Yara Ragu: hahaha

[12:43] Polaris Triellis: You weren't the only one Yara

[12:43] Starheart Erdhein: Well you set as good example for us in 'ascending'

[12:43] Chiron Chrzan: BlueEagle suddenyl disappeared too!

[12:44] Yara Ragu: Oh, I didn't know!

[12:44] JahanaChundra Quintessa: His coming and what we did was nice... this week end I was feeling all of the old paradigm playing out in politics and what we did today felt really good

[12:44] Chiron Chrzan: I took my candle off and I started levitating like this!

[12:44] Kuanyin Yiyuan: Beautiful music.

[12:44] Polaris Triellis: Hmmm

[12:44] Chiron Chrzan: Yes, Jahana, is a powerful time... this was very nice...

[12:44] Drucilla Karu: Very connected

[12:45] Yara Ragu: Old pain appeared and I cried

[12:45] Drucilla Karu: I cried also

[12:45] Starheart Erdhein: I apologize for jearking poor TH around when we first got here...just so shook by what I saw!

[12:45] Chiron Chrzan: I cried too, more out of joy I think, but tears flowed.

[12:45] Yara Ragu: All the sorrow

[12:45] Drucilla Karu: Me too both I think

[12:45] Starheart Erdhein: Then he calmed me...

[12:45] Starheart Erdhein: he always does

[12:45] Polaris Triellis: me too Joy

[12:46] Polaris Triellis: He must, Star, what persence

[12:46] Kuanyin Yiyuan: If I take my candle awaay, will I levitate like Chiron? :-)

[12:46] Starheart Erdhein: Since his abode was created, even more so..

[12:46] Chiron Chrzan: Dunno

[12:46] Starheart Erdhein: He calls it 'Atharana' meaning...

[12:46] Starheart Erdhein: the Place of the Bodi Lotus

[12:47] Starheart Erdhein: More about this in the next Numi'Om...

[12:47] Yara Ragu: How beautiful...!

[12:47] Drucilla Karu: Very beautiful

[12:47] Starheart Erdhein: but essentially it is the COMPASSION that flows through him to us.
 [12:47] JahanaChundra Quintessa: Can we hold it in our meditations or is just for here
 [12:47] Starheart Erdhein: you may open to it at ANY TIME.
 [12:47] JahanaChundra Quintessa: GRACIAS
 [12:48] Starheart Erdhein: He also goes into more detail on all this in the next Numis'OM
 [12:48] Drucilla Karu: Cant wait
 [12:49] Yara Ragu: This last night I dreamed several Masters Teacher were aligning me
 [12:49] Yara Ragu: for the Ascension...
 [12:49] Starheart Erdhein: Ahh Pol...you just ascended too!
 [12:49] Polaris Triellis: I had that dreaM 2 night ago
 [12:49] Drucilla Karu: Look at her
 [12:49] Yara Ragu: Wow!
 [12:49] Polaris Triellis: Ooo I'm floating too
 [12:49] Kuanyin Yiyuan: Julia Roberts and I giggled and played in my dream.
 [12:50] Starheart Erdhein: I like JR...she was on Oprah...very spiritual person.
 [12:50] Yara Ragu: I guessed it was not only done to me...
 [12:50] Polaris Triellis: yes we are SO aligned
 [12:50] Yara Ragu: Yes!
 [12:50] Makalii Rhiadra: Because we have been aligned
 [12:51] Polaris Triellis: LoL it's contagious!
 [12:51] Chiron Chrzan: Mak, you are levitating now too!
 [12:51] Yara Ragu: True!
 [12:51] Chiron Chrzan: and POI!
 [12:51] Polaris Triellis: yes
 [12:51] Makalii Rhiadra: I think it happens after you put the candle away and then type
 [12:51] Starheart Erdhein: Amazing! first TH and Star together and now THIS!
 [12:51] Lhasa Khandr: A question, can this energy of the AUUM help sick people?
 [12:51] Starheart Erdhein: Yes, most DEFINATELY!
 [12:51] Starheart Erdhein: I know it is helping ME
 [12:52] Makalii Rhiadra: and me
 [12:52] anael Ansar: hmm sounds good
 [12:52] Polaris Triellis: and me
 [12:52] Drucilla Karu: It makes me feel stronger in my very being
 [12:52] Lhasa Khandr: is there a way to connect to that energy all the time?
 [12:52] Chiron Chrzan: It has a "memory"
 [12:52] Starheart Erdhein: It is always with you...but you simply need to be AWARE of it...
 [12:53] Chiron Chrzan: Once you experience it, the memory of it is within you.
 [12:53] Starheart Erdhein: Awareness brings it into your NOW moment
 [12:53] Chiron Chrzan: Go back to the memory, and then it will activate that grid within yuor being
 [12:53] Starheart Erdhein: :like the memory of a wonderful fragrance

[12:53] Chiron Chrzan: The feelings you get with a memory are not imaginary...

[12:53] Chiron Chrzan: They are an activation of the energy that memory is associated with

[12:54] Chiron Chrzan: Memories are like your personal hard drive storing all that you have experienced

[12:54] Chiron Chrzan: your akashic record access points

[12:55] Chiron Chrzan: this is what dream work is about

[12:55] Lhasa Khandr: si is it possible to activate energies from past lifes for example ...

[12:55] Chiron Chrzan: in many respects.

[12:55] Lhasa Khandr: in the same way you activate the auum grid?

[12:55] Chiron Chrzan: Yes, memories have no boundaries

[12:55] Chiron Chrzan: You havemany memories within yuor experience from rprevious incarnations.

[12:56] Chiron Chrzan: They are bot a nemsis and a gift!

[12:56] Starheart Erdhein: Thoth once said to me...

[12:56] Starheart Erdhein: that memorie of incarantions is like..

[12:56] Starheart Erdhein: opening door at a time and letting that experince flood through...

[12:56] Starheart Erdhein: but to the Illumined ones...

[12:57] Starheart Erdhein: ALL the doors are open AT ONCE

[12:57] Starheart Erdhein: There is no separation

[12:57] Chiron Chrzan: memories also does not necessarily mean facts and details abotu a previous incarnational experience...

[12:57] Chiron Chrzan: but rather the essence of that experience...

[12:57] Chiron Chrzan: they also often get associatyed with triggers

[12:57] Chiron Chrzan: an aroma, or situation

[12:58] Chiron Chrzan: or a being even!

[12:58] Chiron Chrzan: or a place..

[12:58] Chiron Chrzan: or a type of place

[12:58] Chiron Chrzan: or a color

[12:58] Chiron Chrzan: it is not logical the association

[12:58] Chiron Chrzan: like the story of Little tyke

[12:58] Chiron Chrzan: the vegetarian Lionesss

[12:59] Chiron Chrzan: is true story

[12:59] Chiron Chrzan: would not eat meat

[12:59] Makalii Rhiadra: yes

[12:59] Chiron Chrzan: was in car wreck with her keeper

[12:59] Chiron Chrzan: keeper was worried that Little Tyke would not go back into the cra ever again

[12:59] Chiron Chrzan: but not a prob

[12:59] Chiron Chrzan: however..

[12:59] Kuanyin Yiyuan: whoops....just levitated! Hahahaha

[13:00] Chiron Chrzan: when the man put the same suit on he was wearing when he had

accident...

[13:00] Yara Ragu: hahaha

[13:00] Chiron Chrzan: Little Tyke went nuts...

[13:00] Chiron Chrzan: So the memory was associated with the suit not the car for Little Tyke...

[13:00] Chiron Chrzan: is like this many times for us too.

[13:00] Chiron Chrzan: not logical...

[13:01] Yara Ragu: Yes, its true

[13:01] Kuanyin Yiyuan: The Huna philosophy say that our memories are clustered like grapes together.

[13:01] Chiron Chrzan: is why you cannot very well use logic to understand emotion

[13:01] Chiron Chrzan: YES, I like that!

[13:01] Kuanyin Yiyuan: illogical grapes oftentimes

[13:01] Chiron Chrzan: Pluck them and eat them as you wish!

[13:01] Chiron Chrzan: The grapes of illogic! LOL

[13:01] Polaris Triellis: LOL

[13:01] Chiron Chrzan: better than the grapes of wrath!

[13:02] Makalii Rhiadra: yes

[13:02] Lhasa Khandr: So, for example, when shamans remember past times and stuff is like connecting to all possible doors at the same time, right?

[13:02] Chiron Chrzan: YES

[13:02] Starheart Erdhein: I feel in SL that I am FREEER to pluck those grapes!

[13:02] Chiron Chrzan: The doorways are their cellular memories

[13:02] Makalii Rhiadra: Ever so much freer

[13:02] Drucilla Karu: that is so true

[13:02] Chiron Chrzan: idigenous shamans have a special access...

[13:02] Yara Ragu: This I share

[13:02] Chiron Chrzan: through their cellular genetics and the lineage that...

[13:03] Chiron Chrzan: has been established through time in their bloodlines.

[13:03] Chiron Chrzan: and tradition

[13:04] Chiron Chrzan: This is the power of the Red Road, the generational dynamics that carry us forward, but which can also limit and imprison us in time.

[13:04] Chiron Chrzan: Thus consciousness...

[13:04] Chiron Chrzan: becomes the liberator...

[13:04] Chiron Chrzan: becoming a self-aware being...

[13:04] Chiron Chrzan: frees you from the limitations that imprision....

[13:04] Chiron Chrzan: even tho you may still exist within their condition

[13:05] Chiron Chrzan: simply being aware of them liberates you from being controlled by them.

[13:05] Starheart Erdhein: Yes it is back to AWAREENESS AGAIN

[13:05] Yara Ragu: It's the importance of perspective

[13:05] Starheart Erdhein: It is so EASY (at least for me) to loose awareness in the moment!

[13:05] Drucilla Karu: heighetened awareness will carry you froward
[13:05] Chiron Chrzan: This is the human dilemma
[13:06] Starheart Erdhein: Then when I take that 'moment' to re-connect it feels so GOOD!
[13:06] Chiron Chrzan: Yes, so the jiob is...
[13:06] Chiron Chrzan: to reconnect perpetually!
[13:06] Starheart Erdhein: AMEN!
[13:06] Kuanyin Yiyuan: YES!
[13:06] Starheart Erdhein: TH is asking me...
[13:06] Yara Ragu: YES!!!
[13:06] Chiron Chrzan: until it is a state of connection
[13:06] Starheart Erdhein: to ask each of you...
[13:07] Chiron Chrzan: Kuan is levitating now too!
[13:07] Polaris Triellis: yes
[13:07] Starheart Erdhein: WHAT IS THE KEYNOTE YOU FELT IN THIS GATHERING?
[13:07] Starheart Erdhein: What one WORD may express it...
[13:07] Chiron Chrzan: CONNECTION
[13:07] Starheart Erdhein: Let us go around, staring with Maka...
[13:07] Chiron Chrzan: oops, sorry
[13:07] Starheart Erdhein: ok...staring with Chiron!
[13:07] Chiron Chrzan: haha
[13:07] Starheart Erdhein: now Maka
[13:07] Polaris Triellis: LOL
[13:07] Makalii Rhiadra: Oneness
[13:08] Polaris Triellis: alignment
[13:08] Starheart Erdhein: , Pol...and so on aroound
[13:08] Chiron Chrzan: Lhasa?
[13:08] Lhasa Khandr: uncertainty
[13:08] Yara Ragu: Sorrow
[13:08] anael Ansar: connectiveness
[13:08] Drucilla Karu: Heartknowing
[13:09] Kuanyin Yiyuan: New beginnings
[13:09] JahanaChundra Quintessa: Hope
[13:09] Starheart Erdhein: LOVE
[13:09] Chiron Chrzan: Wow, very nice!
[13:09] Chiron Chrzan: Well, we surely all love you Star!
[13:09] Starheart Erdhein: Was it Lhasa that said "uncertianty"?
[13:09] Chiron Chrzan: Yes.
[13:09] Starheart Erdhein: I would love to hear more...
[13:09] Chiron Chrzan: Is good!
[13:09] Starheart Erdhein: why taht choice?
[13:09] Lhasa Khandr: what I feel is that everything is so real in here, but when I'm on every

day life

- [13:10] Lhasa Khandr: I feel it is so difficult
[13:10] Starheart Erdhein: YES...I know...we have that challenge too!
[13:10] Chiron Chrzan: Yes, it is soo true...
[13:10] Chiron Chrzan: yet....
[13:10] Makalii Rhiadra: SI and RI are merging for me.
[13:10] Polaris Triellis: I think we all do
[13:10] Chiron Chrzan: yes, said perfectly.
[13:10] Polaris Triellis: me too
[13:10] Drucilla Karu: every day
[13:10] Chiron Chrzan: SL is only part of RL, so if you experience it in SL you are experiencing it in RL too.
[13:11] Polaris Triellis: I now dream in SL
[13:11] Starheart Erdhein: This TH has stressed...
[13:11] Chiron Chrzan: Then we must learn how to expand our experience of it in RL further.
[13:11] Polaris Triellis: yes
[13:11] Makalii Rhiadra: exactly
[13:11] Starheart Erdhein: I focus on this alot...
[13:11] Lhasa Khandr: I have a questio
[13:11] Drucilla Karu: yes
[13:11] Chiron Chrzan: But this is very helpful..
[13:11] Starheart Erdhein: hoping to break through that barrier I have created
[13:11] anael Ansar: yes i ahve noticed that beautifyl people and places
[13:11] Chiron Chrzan: If you do not have experience of it, thn is hard to realize in RL
[13:11] Chiron Chrzan: under tougher circumstances.
[13:12] Chiron Chrzan: Lhasa, your struggle in RL is not germane to you...
[13:12] Chiron Chrzan: it is your service to humanity...
[13:12] Makalii Rhiadra: which is service to God
[13:12] Chiron Chrzan: it is all the places your soul has chosen to transform and bring light to earth.
[13:12] Starheart Erdhein: What isyour qeustion Lhasa?
[13:12] Chiron Chrzan: THAT is hard!
[13:12] Lhasa Khandr: Thoth says it is important to expand our reality, but wouldn't it be more important to stay tuned completely to 3d???
[13:12] Chiron Chrzan: But when you bring the LOVE you AREW...
[13:12] Chiron Chrzan: to the job, it gets easier!
[13:13] Chiron Chrzan: The more we each can do this, the easier it gets.
[13:13] Starheart Erdhein: EXPANDING does not men leaving something behind that is part of your being
[13:13] Chiron Chrzan: This is what THoth calls "Heart Ascension"
[13:13] Starheart Erdhein: it simply means going DEEPER

[13:13] Starheart Erdhein: and HIGHER
[13:13] anael Ansar: i find 3 d fading day by day
[13:13] Drucilla Karu: so do i
[13:13] Makalii Rhiadra: as do I
[13:13] Lhasa Khandr: This And how do you know what is part of a deeper reality and what is just evasion of reality?
[13:13] Polaris Triellis: so do I
[13:13] Chiron Chrzan: Yes, yet you are still in it, isn't that COOL?
[13:13] Yara Ragu: Yes, mee too...Anael
[13:13] Chiron Chrzan: what is reality?
