[12:11] Chiron Chrzan: Star and i and others have told us they have been experiencing quite a bit.
[12:11] Chiron Chrzan: There are of course many planetary dynamics taking place...
[12:11] Chiron Chrzan: But the work we are doing here is weaving into those other dynamics a very special energy.
[12:12] Chiron Chrzan: It will challenge us at times to be hosts for that energy...
[12:12] Chiron Chrzan: But the rewards are also great.
[12:12] Chiron Chrzan: So let us begin with a moment of silence in gratitude for the assistance we are both receiving and giving.
[12:13] Chiron Chrzan: as cosmic channels of the All That Is.
(Pause)
[12:14] Starheart Erdhein: First I wish to say...
