

The Enagic SD 501 Water Ionizer Generator
The Only Water Ionizer Generator that Produces True Kangen Water™
Considered the GOLD STANDARD – The Best in the Industry

Comparison Chart – See the Difference

| Specifications | Enagic SD 501 Water Ionizer Generator | Other Ionizers on the market |
|---|--|--|
| Plate Construction, Size and No. of Plates | <p>7- 5 X 7 inch Plate Size Solid Construction Medical Grade Titanium with Platinum Coating Titanium plates are dipped in Platinum 4 Times as much Platinum and Titanium Big Plates – more surface area Enagic – 490 Sq. Inches of plates</p> | <p>2 – 5 (??) - 3 X 5 Inch Plate Size Mesh Construction Non-medical grade Platinum and Titanium Plates are sprayed with Platinum – not dipped</p> <p>Smaller Plates means weaker ionization Tyent 7070 – 244 Sq. Inches KYK – 110 Sq. Inches Life Ionizer – 105 Sq. Inches Jupiter – 238 Sq. Inches</p> |
| Power Supply And Wattage | <p>230 Watts – Continuous Power Uses Transformer – no switching of power on and off Continuous Power to the Plates – no Pulsing Does not Overheat Can be run continuously Does not need overheating shutdown switch SD 501 has continuous 230 watts of Power</p> | <p>0 to 280 Watts – Pulsed or Fluctuating Power Uses SMPS Power Supply SMPS – Switched Mode Power Supply Can overheat Must be stopped every 5 minutes To prevent overheating of plates Tyent 7070 – 85 Watts KYK – 150 Watts Life Ionizer – 80 Watts Jupiter – 80 Watts</p> |
| Cleaning Capability And Water Quality | <p>Has Cleaning Cartridge (Patented) Automatic Cleaning Every 15 Minutes of Usage Manual Cleaning by Running Beauty Water Setting Beauty Water Setting Reverses Polarity And Removes Scaling On Plates Built To last 15 years or more Plates are bolted together for easy disassembly And Cleaning Company will deep clean machine for \$35 + Shipping</p> | <p>No cleaning Cartridge Some have Automatic cleaning process</p> <p>Difficult to Clean Hard Water Scaling of Plates Quality of Water starts to decrease over time Results in Shorter Life of Machine & Water Quality Plates are molded together – cannot disassemble Complete Plate Assembly must be replaced At a cost of 100's of Dollars</p> |
| Strong Alkaline 11.5 pH Water Strong Acid 2.5 pH Water | <p>The Enagic SD 501 Makes Strong Alkaline Water at 11.5 pH Makes Strong Acid Water at 2.5 pH 11.5 pH - used for cleaning of Fruits and Veggies Before eating – Strips off herbicides, pesticides and Food grade wax and other impurities – Clean food 2.5 pH – Antiseptic Water Destroys Bacteria, Staph - MRSA, Ecolli, Samonila Life Saving – kills fungus and aids the body to renew gangreen infected toes, feet and limbs of body Clears soar throats, kills bacteria in mouth Brush teeth, gargle, spray on cuts and bruises Clean Counter Tops and Toilets without Chemicals</p> | <p>No Other Ionizer can make stable Strong Alkaline 11.5 pH or Strong Acid 2.5 pH</p> |
| Warranty | <p>5 Year – Full Warranty SD 501 – Only machine that doesn't void the warranty When Hard Water is run through it. No Limit to how much water you can make in A day. Quantity of water made doesn't void warranty</p> | <p>Limited Warranty - 3 to 5 year Read fine print carefully Hard Water Voids the Warranty If run more than 2 1/2 gallons a day warranty is void. Most of US has hard water</p> |
| Ionization Process | <p>Uses Electricity – 230 Watts – High Power And Large 5 X 7 Plates To get enough power to split to make Hydroxyl Ions and to have Highest Quality of Water Possible</p> | <p>Uses lower power electricity and Wattage Smaller Plates and Surface Area Has to Add Chemical Ionization with Inorganic Minerals in filter to UP the pH.</p> |

| Specifications | Enagic SD 501 Water Ionizer Generator | Other Ionizers on the market |
|--|--|---|
| Manufacturing Process | <p>Machines and parts originate in Japan And are made in a factory approved to make medical devices – ISO 9000 Certification Company is a totally integrated company Taking the products from manufacturing To distribution and sales To the Customer – All One Company</p> | <p>Machines and Parts originate in Korea Emco is the source manufacturer for 80 % of the Other Ionizers on the market Resellers are third party who use Private labeling to put different names On basically the same machine and parts which Come from Emco, a Korean Manufacturer KYK and Tyent buy their parts from Emco And assemble there own machines with their Own labels and outer shells Basically all the same parts inside these machines</p> |
| Members of the Direct Selling Association DSA | <p>Member of the DSA – Direct Selling Association in US Members of the DSA are scrutinized for one full Year regarding Financial Strength and Customer Satisfaction Retail Price of the Product must be in line With the Manufacturing Quality and Costs to Receive DSA Membership and endorsement</p> | No Membership in DSA |
| Company Strengths | <p>Company is over 35 years old Debt Free – financially STRONG Technology used and tested for Over 40 YEARS</p> | <p>Many Third parts companies buying Parts from the same Manufacturer – EMCO Some third Parties only a year or two old Tyent less than 2 years old</p> |
| Distribution And Education | <p>Prospects are encouraged to TRY the WATER before they purchase Prospects are brought to an understanding Of the product, the scientific evidence, The proven track record, the Enagic Quality And personal results from satisfied customers Through Hydration Education Seminars</p> | <p>No Education Seminars No Sampling of Water before purchasing Prospects expected to buy without a TRY</p> |
| Awards And Endorsements | <p>Enagic SD 501 Water Ionizer Generator Endorsed by 6500 Physicians in Japan As the Number 1 Ionizer in Quality and Performance Considered a Medical Device in Japan Used in Many Hospitals and clinics in Japan Kangen Water™ is Prescribed by Doctors Dr. Shinya endorses Kangen Water for his patients Kangen Water™ recommended by Dr. Dave Carpenter, Dr. Peggy Parker, Anthony Robbins and many others ISO Manufacturing Certification 9000 and 14000 Received Environmental Awards for protection of Environment</p> | |
